

104 HEAD FULL OF DOUBT/ROAD FULL OF PROMISE, avett brothers
There's a (C) darkness (G) upon me that's (F) flooded in (Am) light
In the (C) fine print, they (G) tell me what's (F) wrong and what's (Am) right
And it (C) comes in (G) black, and it (F) comes in (Am) white
And I'm (Am) frightened by (G) those who don't (F) see it

Where (C) nothing is (G) owed, (F) deserved or (Am) expected
And your (C) life doesn't (G) change by the (F) man that's (Am) elected
If you're (C) loved by (G) someone, you're (F) never re-(Am)-jected
De-(Am)-cide what to (G) be, and go (F) be it

**There was a (C) dream that one (F) day I could (C) see it
Like a (F) bird in a (C) cage I broke (G) in
and de-(F)-manded that (G) somebody (C) free it
And (F) there was a (C) kid with a (F) head full of (C) doubt
So I'll (F) scream till I (C) die or the (G) last of those
(F) bad thoughts are (G) finally (C) out**
