

128 RIVER OF DREAMS, BILLY JOEL

In the middle of the night I go walking in my sleep
from the mountains of faith to a river so deep
I must be looking for something something sacred I lost
But the river is wide and it's too hard to cross

[Verse 1]

& even though I knew the river is wide I walk
down every evening and I stand on the shore
And try to cross to the opposite side
So I can finally find out what I've been looking for

[Chorus 2]

In the middle of the night I go walking in my sleep
Through the valley of fear to a river so deep
And I've been searching for something taken out of my soul
Something I'd never lose
something somebody stole

[Verse 2]

I don't know why I go walking at night
But now I'm tired and I don't walk anymore
I hope it doesn't take the rest of my life, till
I can finally find what I've been looking for

[Chorus 3]

In the middle of the night I go walking in my sleep
Thru the jungle of doubt to a river so deep
I know I'm searching for something something so undefined
That it only can be seen by the eyes of the blind

In the middle of the night

[Verse 3]

I'm not sure about life after this
god knows I've never been a spiritual man
Baptized by the fire, I waded in the river
That turns out to be the promised land

[Chorus 4]

In the middle of the night I go walking in my sleep
Through the desert of truth to a river so deep
We're all land in the ocean we all start in the streams
We're all carried along by the river of dreams
In the middle of the night
