

112. THERE'S A WIDENESS

G                    D    G  
There's a wideness in God's mercy  
Am7        G    D    G  
Like the wideness of the sea;  
G                    D    G  
There's a kindness in His justice,  
Am7        G    D    G  
Which is more than liberty.  
Em    C   Am   B7  
There is plentiful redemption  
D    G    D    A    D  
In the blood that has been shed;  
G                    D    G  
There is joy for all the members  
Am7 G    D            G  
In the sorrows of the Head.

G                    D            G  
For the love of God is broader  
Am7        G    D            G  
Than the measure of our mind;  
G                    D    G  
And the heart of the Eternal  
Am7 G    D            G  
Is most wonderfully kind.  
Em    C   Am   B7  
If our love were but more simple,  
D    G    D    A    D  
We should take Him at His word;  
G                    D    G  
And our lives would be thanksgiving  
Am7 G    D            G  
for the goodness of our Lord.

G                    D    G  
Troubled souls, why will you scatter  
Am7 G    D            G  
Like a crowd of frightened sheep?  
G                    D    G  
Foolish hearts! why will you wander  
Am7 G    D            G  
From a love so true and deep?  
Em    C   Am   B7  
There is welcome for the sinner,  
D    G    D    A    D  
And more graces for the good;  
G                    D    G  
There is mercy with the Savior;  
Am7 G    D            G  
There is healing in His blood.
