G

Love is but a song we sing

F

fears the way we die

G

You can make the mountains ring

F

or make the angels cry

G

Though the bird is on the wing

F

and you may not know why

C

Come on people now,

D

smile on your brother

G

Everybody get together,

C

D

G

and try to love one another right now

G

Some may come and some may go

F

We shall surely pass

G

When the one that left us here

F

returns for us at last

G

We are but a moment's sunlight

F

fading in the grass

G

If you hear the song I sing

F

you will understand, listen

G

You hold the key to love and fear

F

all in your trembling hand

G

Just one key unlocks them both

F

It's there at your command
