

28. SHALL WE GATHER AT THE RIVER

D
Shall we gather at the river,
A7 A
Where bright angel feet have trod,
D
With its crystal tide forever
A A7 D
Flowing by the throne of God?

G D
Yes, we'll gather at the river,
A A7 D
The beautiful, the beautiful
river;
G D
Gather with the saints at the
river
A A7 D
That flows by the throne of God.

D
On the margin of the river,
A7 A
Washing up its silver spray,
D
We will talk and worship ever,
A A7 D
All the happy golden day.

D
Ere we reach the shining river,
A7 A
Lay we every burden down;
D
Grace our spirits will deliver,
A A7 D
And provide a robe and crown.

D
At the smiling of the river,
A A7 D
Mirror of the Savior's face,
D
Saints, whom death will never sever,
A A7 D
Lift their songs of saving grace.

D
Soon we'll reach the silver river,
A A7 D
Soon our pilgrimage will cease;
D
Soon our happy hearts will quiver
A A7 D
With the melody of peace.
